Directions from READING

From Cemetery Junction (A4/A329 junction) travel towards Winnersh/Wokingham on the Wokingham Road (A329). Continue past Palmer Park and the small shopping precinct. Green Road is the first turning on the right. The clinic is situated on the corner of Green Road opposite the Parkside GP Surgery. There are prominent signs at the front of the property.

Access to Green Road and our car park has been affected by a new building development. For patients travelling by car Green Road must be accessed from the other end, off Whiteknights Road. The simplest route to the clinic is to travel farther along Wokingham Road to the traffic lights at the "3-Tuns" crossroads. Then turn right into Wilderness Road and then right again at the first mini-roundabout into Whiteknights Road. Green Road is the 5th turning on the right.

Directions from WOKINGHAM

Travel towards Reading on the Wokingham Road (A329). If travelling by car, turn left into Wilderness Road at the traffic lights at the "3-Tuns" crossroads. Turn right at the first mini-roundabout into Whiteknights Road. Green Road is the 5th turning on the right.
