Directions from READING/MAIDENHEAD

Travel along the A4 to the roundabout with the A321 from Henley. Take the exit towards the centre of Twyford. Continue across the traffic lights in the town centre. From the A329 Waltham Road, the detached clinic premises are clearly visible almost immediately on the right hand side of the road next to the Church.

There are several short term car parks available close by in the town centre. Physiocare also has a small clinic car park, located on the left hand side of Church Street, opposite the turning for Station Road. This is available for our patients to use during their clinic visit. Because spaces are limited we would request that clients vacate the car park immediately after completing their appointment.

Directions from WOKINGHAM

Travel on the A321 via Hurst. Turn left at the junction with the B3018 (Waltham/Bracknell Road). Proceed towards the town centre of Twyford. The practice is located on the left hand side of Church Street, in detached premises just after the church and immediately before the traffic lights.
